Keep out of direct sunlight, or heated vehicles.

Spills and Wastage:

Mop up small spills with water and mop, large spills use absorption method to soak up and clean up remainder with mop and bucket

Fire Hazard:

Non Combustible

Vibe Ultra

SHAKE WELL BEFORE USE
We recommend that first time users of Black Magic Spray Tanning Solutions conduct an allergy patch test. If irritation occurs discontinue use.

DIRECTIONS
To be applied by a trained spray tanner in an HVLP or Airbrush machine only. Spray no closer than 20cm from the body in an up and down motion. On dry skin such as knees and elbows use Black Magic Blamer Cream to stop these areas from going too dark. Store in a cool dark place under 20 degrees. We recommend using this product within 6 months of opening.

SOLUTION USAGE
50mls per full body tan, spraying too much product can cause overdevelopment.

DEVELOPMENT TIME
For best results shower after 2 hours. If a darker result is desired reapply 24 hours later.

BIEN AGITER AVANT USAGE
Nous recommandons aux nouveaux utilisateurs de Black Magic Spray Tanning Solutions de réaliser un test de patch anti-allergie. En cas d'irritation, cesser l'utilisation.

DIRECTIONS
Pour être appliqué par un agent de bronzage qualifié dans une machine HVLP ou Airbrush uniquement. Ne vaporisez pas à moins de 20 cm du corps dans un mouvement de haut en bas. Sur les zones sèches telles que les genoux et les coudes, utilisez la crème Black Magic Blamer Cream pour empêcher des zones de devenir trop sombres. Rangez dans un endroit sombre et frais sous 20 degrés. Nous vous recommandons d'utiliser ce produit dans les 6 mois suivant son ouverture.

UTILISATION DE LA SOLUTION
50 ml par corps entier, la pulvérisation de trop grandes quantités de produit peut provoquer un surdéveloppement.

TEMPS DE DÉVELOPPEMENT
Pour de meilleurs résultats, prenez une douche après 2 heures. Si un résultat plus sombre est souhaité, réappliquez 24 heures plus tard.

NATURAL CERTIFIED DHA

INGREDIENTS
aqua, aloe barbadensis leaf juice, dihydroxyacetone, caprylic/capric triglyceride, isodecyl myristate, glycerin, propyl dibenzyl cocoyl grape seed (vitis vinifera) oil, cetearyl alcohol, dimethylsiloxane, calcium phosphate, octyldecyl myristate, calcium phosphate, octyldecyl myristate, (fied Ribocicli) leaf extract, dimethylsiloxane, phenyltrimethyl ammonium chloride, tocopherol acetate (vitamin E), yellow 5 (CI 19140), red 40 (CI 17200), green 5 (CI 75580), blue 1 (CI 42090)
